One Simple Tuition Price, Streamlined

Starting in 2027–28, Summerfield tuition is one streamlined price. One number covers your child's whole year: no separate annual fee, no field trip fees, no surprises. You'll know exactly what the year costs on the day you enroll.

What's included

- **Tuition** for the full school year
- **The annual fee**, which used to be billed separately each June
- **Field trips** for Grades 2–8 and **class trips** for Grades 9–12, which used to be billed trip by trip
- **Class supplies and art materials**
- **Class recorders and flutes**

Your child takes part in every trip and class experience, and you never get a separate bill for one.

What's not included

The extras your family chooses to sign up for are still billed separately:

- **Sports**, per season: $50–$75 for Grades 6–8, $150–$175 for Grades 9–12
- **Student instruments** (violin, cello and the like) and private lessons
- **After care and after-school clubs**: after care in prepurchased blocks or ~$18 per hour; clubs such as circus, $350–$500 per semester
- **School and class fundraising**
- **School lunch**, for now. We're considering including lunch in the future, and we'd love to hear what you think.

The $1,000 deposit is held against your tuition, not an extra charge. You pay it in February, and your tuition, less the deposit, is divided into equal monthly payments.

The 2026–27 total is what families pay this year: tuition, the annual fee billed last June, and trip bills. Field trips and class trips are now included, and high school tuition covers Open Week and class trips. *Because trip costs varied by grade, these comparisons are approximate.*

How paying works

1. **Enroll and pay the $1,000 deposit by February 25.** This is due during the enrollment process and is held against your tuition.
2. **Pay the rest in 10 or 11 equal monthly payments, July through April or May.** No lump-sum fee in June.
3. **Pay in full or by semester and save!** Families who prefer one payment can pay the year in full by July 1st and save 3% of full tuition or pay half each semester and save 2%.

Tuition assistance

Tuition assistance now applies to the full price. Families receiving assistance no longer face a separate fee bill or the need to make special arrangements for trip fees. Applications open November 20 and are due December 31. Decisions come before the February 25 deposit is due.
