SWSF Anti-Discrimination Policy

Summerfield Waldorf School & Farm teachers, staff and administrators believe that each human being brings unique gifts and needs to the world. We honor and celebrate the differences between us, knowing that diversity and complexity in our human relationships makes our community more vital, creative and resilient. This policy supports individuals who experience discrimination as well as individuals discriminating against them and each member of this community as we strive to create an ever more inclusive and welcoming school.

Summerfield Waldorf School & Farm promotes safety, acceptance and respect for all students, employees, admission and employment applicants and is dedicated to creating an inclusive community. We strive to provide a safe learning environment that protects students from discrimination, harassment, intimidation, bullying and other behavior exhibited by a person's hostility towards another person's real or perceived ethnicity, national origin, race, skin color, immigration status, sex, gender, sexual orientation, religious belief, age, ability, or any other physical or cultural characteristic.
