Lower School Aftercare Assistant

About Summerfield Waldorf

Summerfield is a vibrant preschool through high school community with an invested and supportive parent body, warm and engaged colleagues, seasoned mentor teachers, a working biodynamic farm and an incredible 40-acre campus! We strive to educate the whole child through a rich program that includes practical arts, circus, movement, agriculture, music, social inclusion, artistic work, an active festival life and more. Our students love coming to school every day as much as their teachers do!
